Outpost Coordinator Instructions:

1. If you are a new outpost group, contact Gerry Krebsbach to partner you with an established outpost to help you with any of your needs.
2. Outposts coordinate their own transportation, camping gear, and food and camp in the site assigned to your Outpost.
3. Work out other expenses (meals, transport, etc) the camp fee does not cover. Parents will be paying you this amount separately and is not included in online registration.
4. Invite boys personally to attend. Email parents and attach the flyer, be sure to let them know the total for camp, including 'other' expenses.
5. **Everyone must register online.** There are Camp forms that the parents must sign (electronically); so you cannot register for the boys. They don't have to pay online immediately, but their registration is not complete until they pay in full.
6. Automated camper reports are emailed to your designated Outpost Camp Coordinator. If you are not receiving them, contact Adair Koontz (adair@wnmdag.org). These reports help you keep track of who is going to camp.
7. Select your Outpost camp staff and have your pastor to sign an online pastoral reference form. Copy and send them this link go.wnmdag.org/rrpastor
Only the lead pastor or designated staff pastor or board member may fill out this form.

Every adult must have this form on file to stay overnight at camp.
