Social skills: I will improve my ability to interact with others.

Equipping skills: My success is tied to helping others reach our shared goals.

Attitude skills: I will help others aspire to a better future. My attitude is a choice.

Leadership skills: I will develop my God-given talent and share those talents with others.

Servant skills: I will let others know I care about them by putting their needs and interests before my own.

[RR LM; Chapter 22]
